Hello Friends:

Hello, it is my distinct pleasure to welcome you to join us for another exciting year of music. Artistic Director Mark Kloeppe has created a concert season that is both exciting and reflective. We are particularly excited to share our May concert with the Tacoma School of the Arts. Your support during our 2019 Spring Auction helped to bring this concert to life.

This is the start of my 12th season with the Northwest Chamber Chorus. I am very much looking forward to the coming concerts. In December we bring back a NWCC favorite with Dylan Thomas' *A Child's Christmas in Wales*. With Seattle's very own David Pichette, it promises to be a joyous performance. March takes us to *Wide open Spaces*. This journey together will stretch the imagination and encourage a reflection of the beauty of the Pacific Northwest. Our May concert answers the question, *How Can I Keep from Singing?* This exciting collaboration with the Tacoma School of the Arts will remind many of us of our own start in choral singing while we share our experience with those just starting out.

With your continued support, you not only help us strengthen our community, you allow us to hire and keep great employees like Mark, a skilled and caring artistic director, Ali, a gifted accompanist and fantastic singer, and Betsy, our enthusiastic and indispensable executive director. Additionally, you make it possible for us to produce CDs and to host clinicians to help us to be better musicians.

You are welcome to use the contribution levels outlined below as a guide. However, regardless of the amount, any contribution is greatly appreciated. We also invite you to purchase season tickets for yourself and to mark the dates on your calendar early. With your generous and sustaining help, we will continue to bring you great music for another 50 years!

- **Tuners** (\$25-\$99) receive acknowledgment in concert programs and on our web site.
- **Hummers** (\$100 to \$249) receive 2 tickets to your choice of season concerts.
