Dear Friend of the Northwest Chamber Chorus,

Those who know me personally, know that I am rarely at a loss for words. As we enter this special 53rd year of the Northwest Chamber Chorus, I struggle to find the right words to describe how I feel. What I do know is that we need you, and we need each other, in order to sustain our ensemble, our music, and our organization until we are able to safely gather together for live concerts again.

Though we will not sell tickets and present our usual concerts at Phinney Ridge Lutheran this season, we will continue to share videos of some favorite performances with you (visit northwestchamberchorus.org).

While we are unable have our annual fall retreat, we will have regular online rehearsals and gatherings where we continue to strengthen the caring community of friends that is the Northwest Chamber Chorus.

Our annual party together at Mt. Baker Community Club has become an exciting virtual auction experience and is scheduled for April 2021.

There has been so much change in such a short period of time. Even though we are not able to do some of our usual activities, we are excited as we explore some new opportunities. We will for the first time in our history produce virtual performances by our talented singers. We have also created a task force whose mandate will be to examine our organization and find ways to make the NWCC a more diverse, equitable, and inclusive arts organization

We love and appreciate the support you continue to give to the Northwest Chamber Chorus, especially during this difficult time. We hope you enjoy our new videos, virtual performances, and auction. When it is safe to do so, we look forward to gathering as a Chorus Family again and sharing our music with you. Thank you for including us in your charitable gifts this year!

Sincerely,

Betsy Brockman
Executive Director (and NWCC soprano)
